

Queensland Arts Showcase Program – Guidelines

Queensland Arts Showcase Program (the Fund) is a key program of [Grow 2022-2026](#), the second action plan of the Queensland Government's [Creative Together 2020-2030](#), and is focused on celebrating Queensland's artists and stories, ensuring Queenslanders' access to high quality experiences and growing Queensland's cultural reputation.

Fund objectives

The objectives of the Queensland Arts Showcase Program are to:

- Support the development and presentation of new arts and cultural works by individual Queensland artists, organisations, and communities
- Strengthen skills development, and provide new employment and career development opportunities for artists and arts workers
- Grow a pipeline of high-quality arts, cultural products, and experiences

What the funding can be used for

The Fund supports applications from individuals and organisations for projects and programs at different stages of development and across multiple stages from creative development through to production, presentation, and distribution.

For example, you can apply for just the creative development stage of a new work or apply to fund the project from its early stages through to a tour of the finished work.

The fund will also support costs towards artistic collaboration with a nationally or internationally significant artist or company for an outcome in Queensland.

In addition, applicants have the options to apply for additional funding towards an industry placement as part of the project, and/or the fees for the commissioning of new live or recorded music as part of your project.

Funding available

- For single year projects - up to **\$70,000** for projects and programs for up to 12 months.
- For two-year projects up to **\$150,000** to support the development and delivery of single projects and programs across financial years. These are projects and programs that need a larger and/or longer scale of development of up to two-years and include presentation and/or distribution.

PLUS up to **\$60,000** towards one full-time industry placement for 12-months (or a pro rata equivalent for part-time) with a focus on arts management and/or arts production.

Arts Queensland will prioritise placements for individuals who are living and working outside of South East Queensland, or who are First Nations persons or persons with a disability, and placements for technical roles, production and design, and project management roles.

The placement must be:

- a new position
- built into the planned activity, and you must provide evidence of your intention for continued employment of the person or role
- supported by a holistic skills development program and a supervisor with appropriate experience
- paid at least minimum award wage and covered under employer's Workcover and superannuation.

Two-year funded applicants approved for this extra Industry Placement funding will have the option to apply for an additional **\$30,000** (or a pro rata equivalent) in Year 2 to continue employment of the placement if they can demonstrate the successful delivery of Year 1 and provide evidence of how they will transition to the continued employment of the person or role.

PLUS up to **\$10,000** towards fees for Queensland-based composers, musicians or librettists to support the commissioning of new live or recorded music as part of your project
